

Online Neurocognitive Assessment

This is a secure database and the information you give is completely protected.
This assessment will take approximately 35 to 45 minutes to complete.

1. Access the CNS Vital Signs Online Assessment website at www.cnsvsonline.com for the online neurocognitive assessment.
2. Once you've accessed the CNS Vital Signs Online Assessment website, choose the COMPUTER testing method and click on the area that says "Click Here."
3. A small screen will pop up in the middle of the page. Please enter these credentials:
 - Test Administrator: **McHenry**
 - Password: **n1health** (no spaces, case sensitive)
4. Click "Login."
5. Once you have logged in, you will be asked for the Subject Reference/ID. Please type in the identifier:
 - Subject Reference/ID: **Patient 's first name and last name with no spaces between first and last name**
[Example: marysmith,tomjones]
6. Click "Test."
7. You will be asked for your birth date. Please select the appropriate information from the drop-down menus:
 - Year: (enter your year of birth)
 - Month: (enter your month of birth)
 - Day: (enter your date of birth)
8. Click "OK."
9. The next window will ask you to confirm Test Settings. Confirm that each is correct:
 - Subject ID
 - Birth Date
 - Test Language (English is the default) if desired, use the drop-down menu to change the test language
10. Click "OK."

YOU MUST READ THE INSTRUCTIONS CAREFULLY.
ONCE YOU BEGIN YOU CAN NOT STOP OR GO BACK.

THE TEST TAKES AT LEAST 30 MINUTES AND SHOULD BE COMPLETED IN A QUIET PLACE WITH NO INTERRUPTIONS. NO OTHER APPLICATIONS SHOULD BE OPEN OR RUNNING ON THE COMPUTER (SUCH AS INSTANT MESSAGING, FACEBOOK, EMAIL ETC.).

You will begin by completing several computerized subtests that take about 30 minutes. You may be asked to complete preselected health care surveys and questionnaires, which will take about 15 minutes. (You decide if any surveys will be given.)

Follow the instructions and when the assessment ends a small screen will appear. Click the "DONE" button, and then click the "Logout" button. The results will be stored in our clinic account and we will print out the results in our office. The doctor will review the results with you.

If you have any questions or concerns, please feel free to call us.
